Windows Live Safety Center Full service scan

Beta

Thank you for using the Windows Live Safety scanner.

Come back to use this scanner whenever you need to, free of charge. Keep in mind, though, that this is an on-demand service only and does not protect your PC against new virus infections once you finish a scan. For continuous protection, try the [free Windows OneCare Live beta \(U.S. only\)](#).

 **Stay safe with Windows OneCare Live**
Keep your PC healthy and get around the clock, automatic protection. [Download the free beta \(U.S. only\)](#).

- Virus protection
- Two-way firewall protection
- Automated PC tune-up
- Backup and restore

 **Have questions?**
