Expand your recording capacity!

Additional storage is now available for TiVo® HD DVRs

With the Western Digital 500 GB My DVR Expander for TiVo HD and Series3 high def DVRs, you can increase the recording space of your TiVo DVR. Once it's plugged into the eSATA port on your TiVo box, this DVR Expander will be "married" to your DVR,* adding 65 additional hours of HD recording space (or up to 600 hours of standard definition recording capacity). It's the easiest way to get more out of your high-definition entertainment.

Your TiVo DVR may require a TiVo software update before it will work with a Western Digital My DVR Expander. Please sign-up on the software priority page to ensure your TiVo DVR receives the necessary software when it becomes available.
