Popular INSTEON Products

iPod sold separately

What Can INSTEON Control?

⑩ Lighting

Irrigation

•
⑩ HVAC

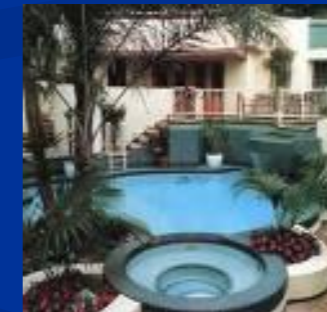

Security

⑩ A/V

Pool/Spa

⑩ Blinds

Whole House

**SmartHome Wireless
IP Security Camera
(\$100)**

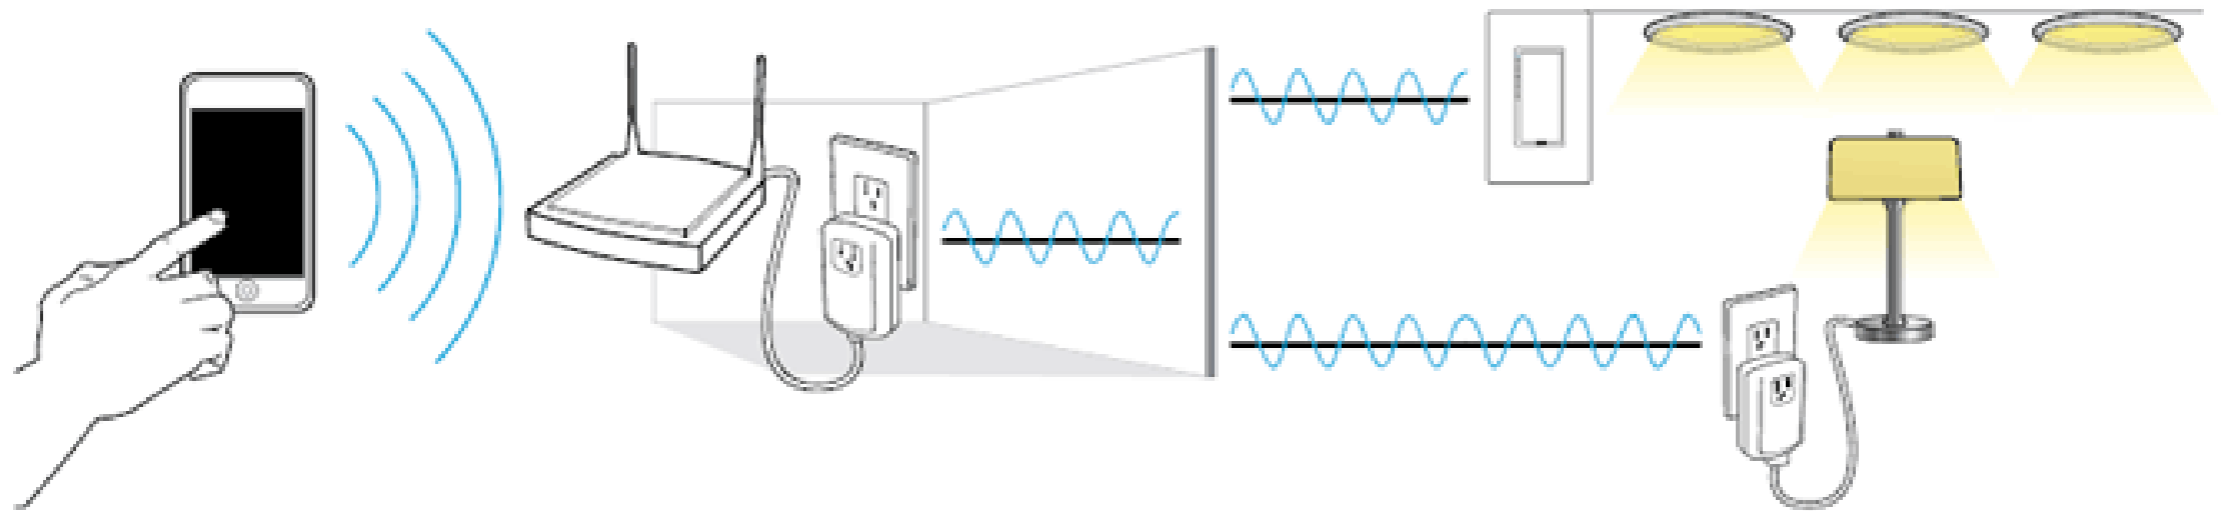

Compatible w/ iPhone/iPad, Android, Blackberry

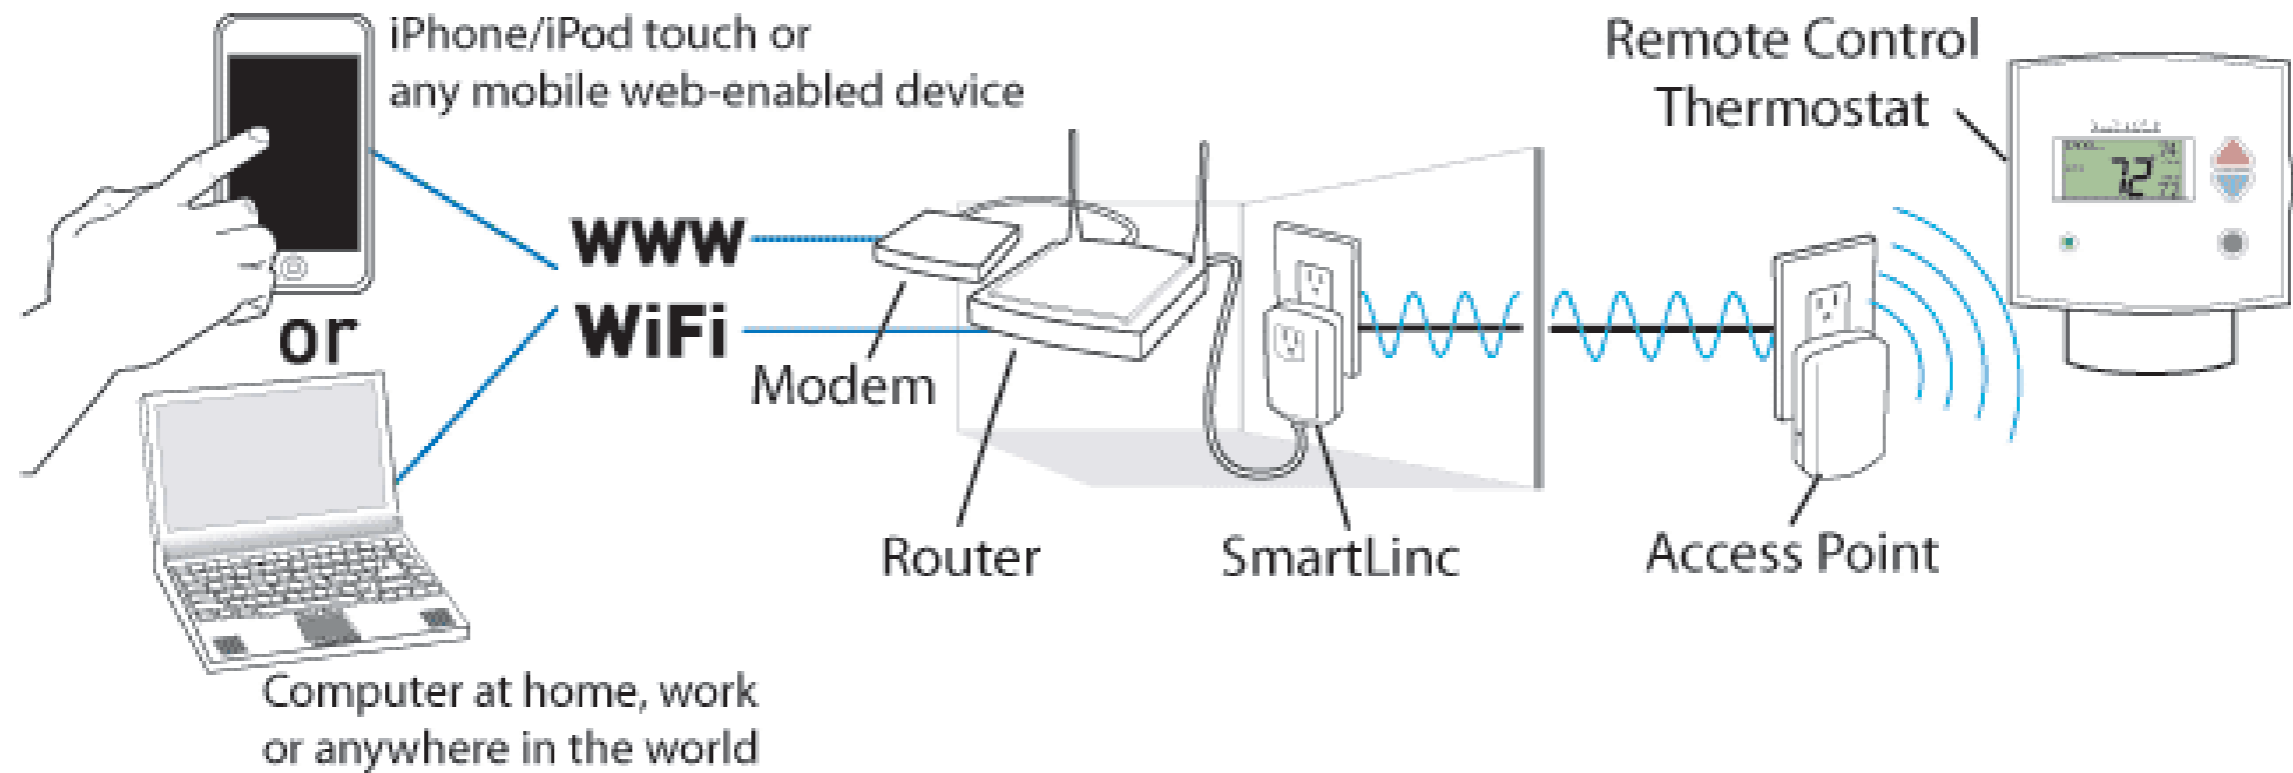

Nest Learning Thermostat

(\$250)

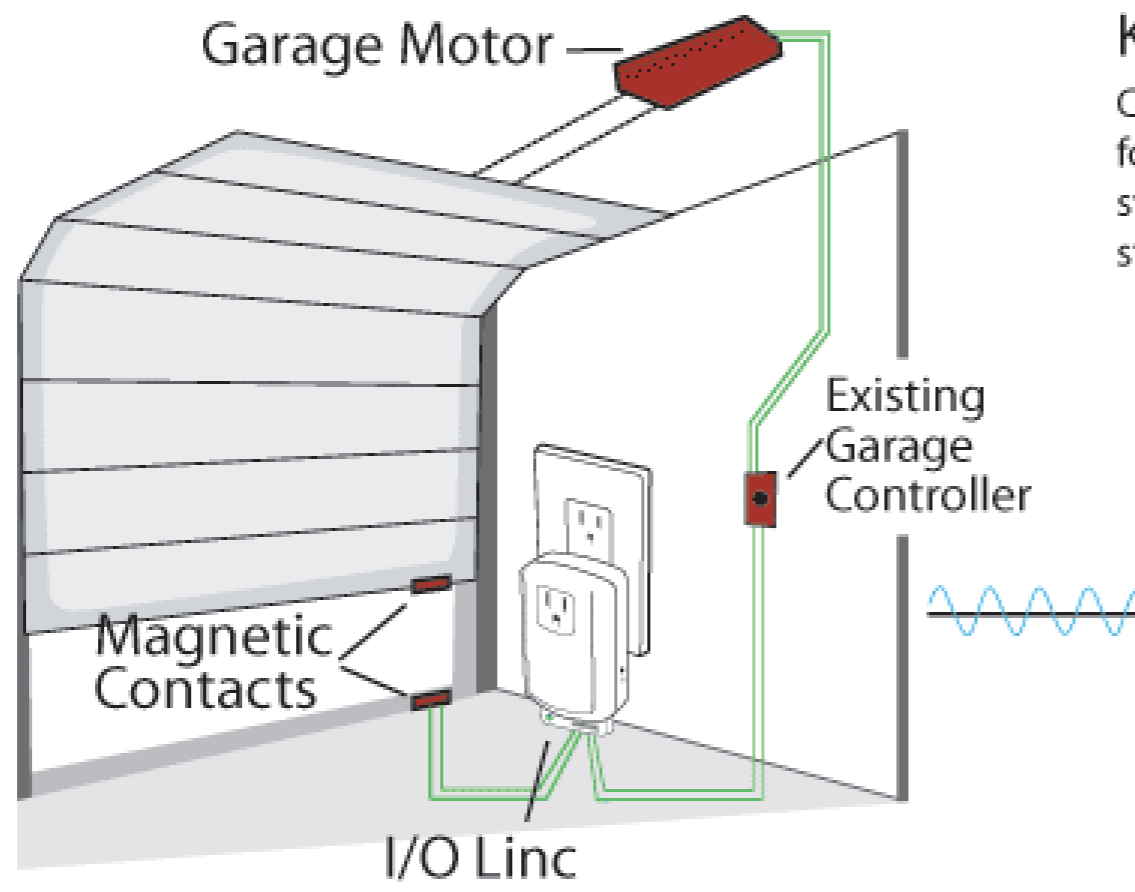

Control Lights w/ iPhone

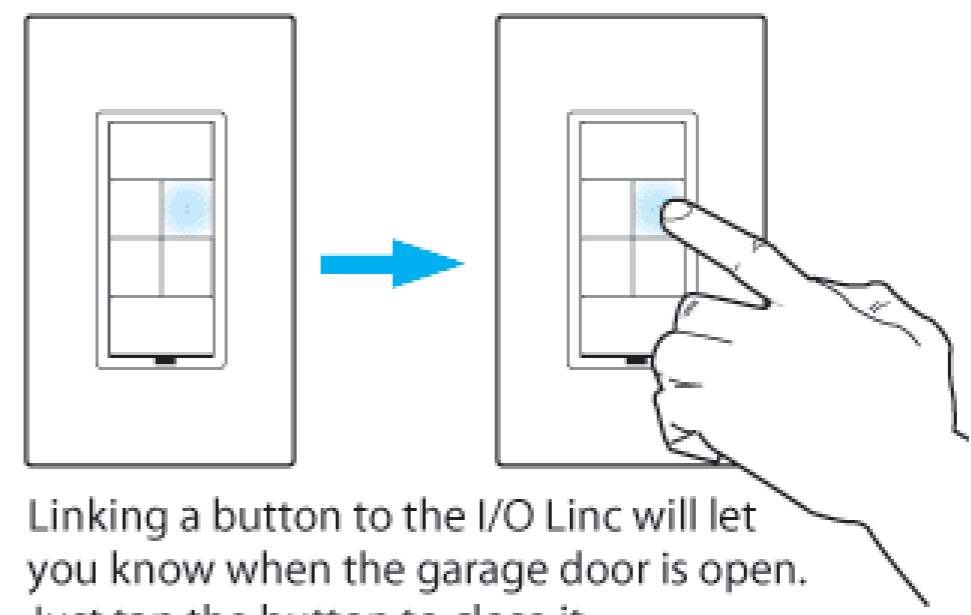

Control Thermostat Remotely

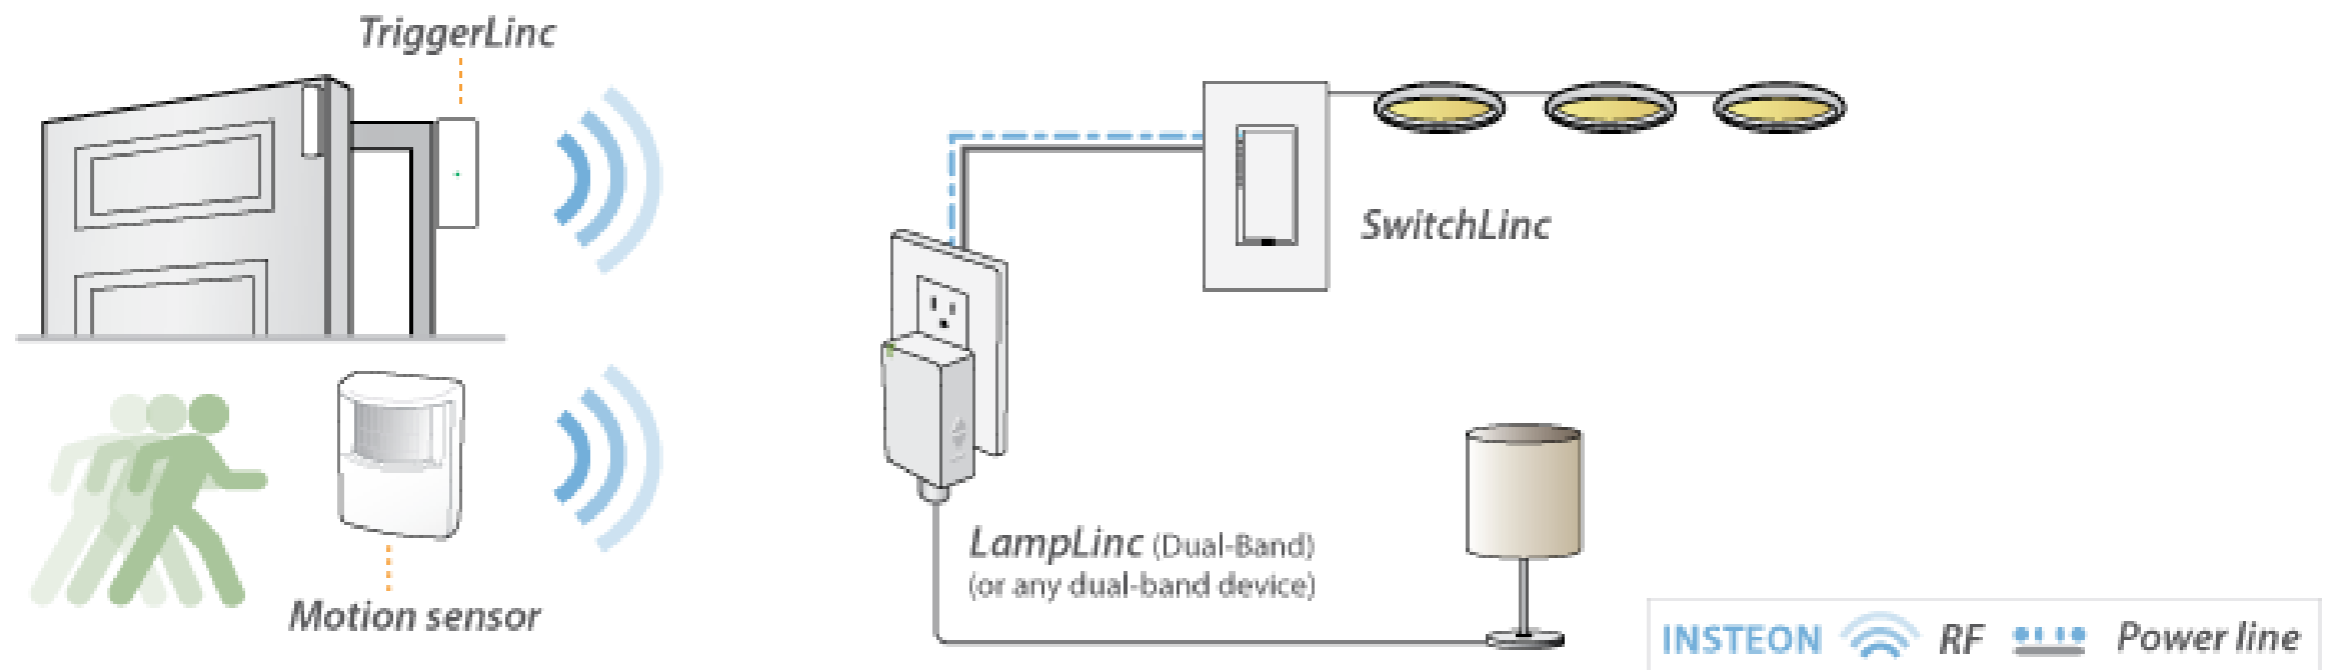

KeypadLinc

Change out a switch in your bedroom or entryway for this keypad and it will still control what your old switch controlled but you'll also be able to read status and control devices throughout your home.

Linking a button to the I/O Linc will let you know when the garage door is open. Just tap the button to close it.

Door Monitor/Controller

Motion Activated Lighting Control
